BENEFITS FUNDED

The City of Portland offers a comprehensive benefit package that is competitive with other private and public sector employees. The basic benefits package includes a choice of 2 medical/vision plans and 2 dental plans with coverage available to spouses, domestic partners, and dependent children. The City pays 95% of the cost over coverage and the employee pays 5%. The basic benefits package also includes wellness benefits (discount at fitness clubs, smoking cessation benefits, worksite vaccinations), basic life insurance, long-term and short-term disability, and an employee assistance plan that provides confidential counseling services for employees. The average annual cost to PF&R of providing this benefit package is \$20,704 per firefighter in year 1. Based on recent experience in health premiums, PF&R assumes rates increase 3% annually to \$21,325 in year 2 and \$21,965 in year 3. These averages are based on the current mix of health plans (employee, employee plus 1, and family) chosen by PF&R firefighters. PF&R firefighters belong to the Oregon Public Service Retirement Plan (OPSRP) after 6 months of employment and are vested after 5 years of employment. The OPSRP plan provides a defined benefit at retirement and an investment account based-based benefit. Both are funded through employer contributions to the plan. In total, the City of Portland contributes 31.72% of a firefighter's salary to OPSRP to fund retirement costs after 6 months of employment. The City of Portland also pays 2 payroll taxes on firefighter salaries: the federal Medicare tax at 1.45% and a local transit tax to Trimet (the region's transit agency) of 0.7837%.

Part 200, all applicable federal laws, and relevant Executive guidance.

After the initial submission, recipients are required to complete the tool once every two (2) years if they have an active award, not every time an award is made. Recipients should submit the completed tool, including supporting materials, to CivilRightsEvaluation@hq.dhs.gov. This tool clarifies the civil rights obligations and related reporting requirements contained in the DHS Standard Terms and Conditions. Subrecipients are not required to complete and submit this tool to DHS. The evaluation tool can be found at <https://www.dhs.gov/publication/dhs-civil-rights-evaluation-tool>. The DHS Office for Civil Rights and Civil Liberties will consider, in its discretion, granting an extension if the recipient identifies steps and a timeline for completing the tool. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and

Article 41**Environmental Planning and Historic Preservation (EHP) Review**

DHS/FEMA funded activities that may require an Environmental Planning and Historic Preservation (EHP) review are subject to the FEMA EHP review process. This review does not address all federal, state, and local requirements. Acceptance of federal funding requires the recipient to comply with all federal, state and local laws. DHS/FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by DHS/FEMA grant funds, through its EHP review process, as mandated by: the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and any other applicable laws and executive orders. To access the FEMA EHP screening form and instructions, go to the DHS/FEMA website. In order to initiate EHP review of your project(s), you must complete all relevant sections of this form and submit it to the Grant Programs Directorate (GPD) along with all other pertinent project information. The EHP review process must be completed before funds are released to carry out the proposed project; otherwise, DHS/FEMA may not be able to fund the project due to noncompliance with EHP laws, executive orders, regulations, and policies. If ground disturbing activities occur during construction, applicant will monitor ground disturbance, and if any potential archeological resources are discovered the applicant will immediately cease work in that area and notify the pass-through entity, if applicable, and DHS/FEMA.

Article 42**Applicability of DHS Standard Terms and Conditions to Tribes**

The DHS Standard Terms and Conditions are a restatement of general requirements imposed upon recipients and flow down to subrecipients as a matter of law, regulation, or executive order. If the requirement does not apply to Indian tribes or there is a federal law or regulation exempting its application to Indian tribes, then the acceptance by Tribes of, or acquiescence to, DHS Standard Terms and Conditions does not change or alter its inapplicability to an Indian tribe. The execution of grant documents is not intended to change, alter, amend, or impose additional liability or responsibility upon the Tribe where it does not already exist.

Article 43**Acceptance of Post Award Changes**

In the event FEMA determines that changes are necessary to the award document after an award has been made, including changes to period of performance or terms and conditions, recipients will be notified of the changes in writing. Once notification has been made, any subsequent request for funds will indicate recipient acceptance of the changes to the award. Please call the FEMA/GMD Call Center at (866) 927-5646 or via e-mail to ASK-GMD@fema.dhs.gov if you have any questions.

Article 44	<p>Disposition of Equipment Acquired Under the Federal Award For purposes of original or replacement equipment acquired under this award by a non-state recipient or non-state subrecipients, when that equipment is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, you must request instructions from FEMA to make proper disposition of the equipment pursuant to 2 C.F.R. section 200.313. State recipients and state subrecipients must follow the disposition requirements in accordance with state laws and procedures.</p>
Article 45	<p>Prior Approval for Modification of Approved Budget Before making any change to the FEMA approved budget for this award, you must request prior written approval from FEMA where required by 2 C.F.R. section 200.308. For purposes of non-construction projects, FEMA is utilizing its discretion to impose an additional restriction under 2 C.F.R. section 200.308(f) regarding the transfer of funds among direct cost categories, programs, functions, or activities. Therefore, for awards with an approved budget where the federal share is greater than the simplified acquisition threshold (currently \$250,000), you may not transfer funds among direct cost categories, programs, functions, or activities without prior written approval from FEMA where the cumulative amount of such transfers exceeds or is expected to exceed ten percent (10%) of the total budget FEMA last approved. For purposes of awards that support both construction and non-construction work, FEMA is utilizing its discretion under 2 C.F.R. section 200.308(h)(5) to require the recipient to obtain prior written approval from FEMA before making any fund or budget transfers between the two types of work. You must report any deviations from your FEMA approved budget in the first Federal Financial Report (SF-425) you submit following any budget deviation, regardless of whether the budget deviation requires prior written approval.</p>
Article 46	<p>Indirect Cost Rate 2 C.F.R. section 200.211(b)(15) requires the terms of the award to include the indirect cost rate for the federal award.
