

## KANAL AMENDMENT 1:

### **Discounts for Renters and Marginalized Populations**

NOW, THEREFORE, the Council directs:

N. Public Works, in consultation with the City Data and Privacy Office, will engage with community organizations, non-profits, renters' rights organizations, and the Portland Utility Board, to develop a revised transportation financial assistance and discount program that considers renters and underserved and marginalized populations. Public Works will provide a report and recommendations, including options for assistance, discount amounts, and delivery methods, to the Council no later than December 31, 2026.
