Staff Time Fees
The fee for staff time expended responding to public records requests will be calculated as specified in Portland City Code 5.48.030, notwithstanding that this will often result in a fee that is less than the City's actual staff and overhead costs.
Fees for non-sworn staff are calculated as follows: Individual staff hourly pay rate plus 39% health and benefits charge (Fee = hourly pay rate x 1.39 x time spent).
Fees for sworn staff are calculated as follows: Individual staff hourly pay rate for straight time plus 42% health and benefits charges (Fee = hourly pay rate x 1.42 x time spent). 15% added for labor at overtime rates.
Work to which the standard per-side copy fees cannot be applied will be charged on the basis of actual cost.
The City requires payment of the listed specific fees or a 50% deposit of other estimated costs before beginning work on public records request.
