PUBLIC COMMENT 5:10 PM

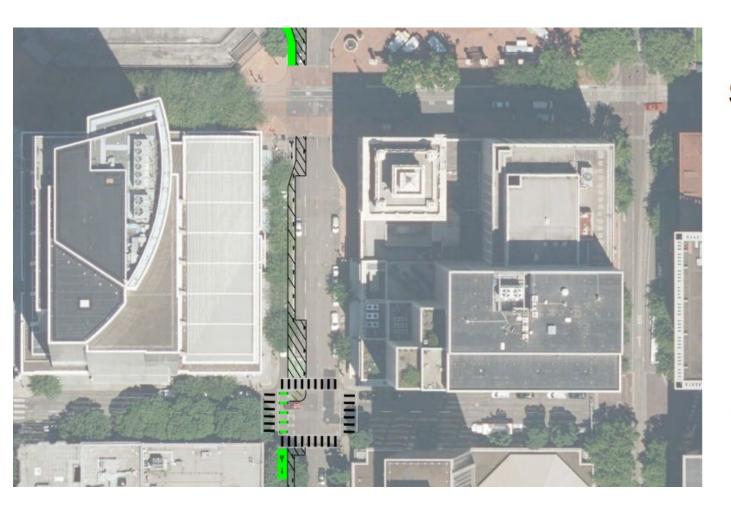

SW Broadway Bike Improvements design update 5:15 PM

Design updates: Yamhill to Taylor

- · Updated design: Two travel lanes, parking protected bike lane
- Right-most vehicle lane will be for thru and right turning traffic
- <u>Updated design concept online</u>

SW Yamhill St

SW Taylor St

Additional updates

July activities

- Finalizing construction contract
- Construction and parking notification mailers and door-to-door canvassing

Construction schedule

- Spot pavement repair early August
- Striping / signing work late August
- Construction expected to last two months

More information and construction updates: <u>https://www.portland.gov/swbroadway</u>

SW 4th Avenue Improvement Project Update 5:25 PM

SW 4th Avenue Project Update

SW 4th and Hall, looking north

- Review of final plans underway
- Added additional phase separation at SW Hall
- Construction to begin in earnest after holiday moratorium

More info: www.portland.gov/transportation/sw4th

SW Alder Street Phase 1 Update & Phase 2 Discussion 5:30

Alder Phase I Update

Celebration event attended by ~200 Portlanders!

Contractor completing punchlist this week

- Completing striping and green MMA
- Tuff curb and posts between 4th and 2nd

Post-project adjustment

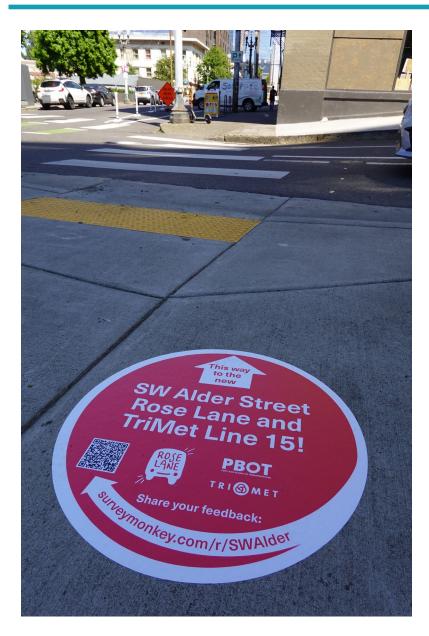

Feedback and improvement at SW 2nd and
Washington to improve driver yielding at intersection

Alder Phase I Survey

We're seeking feedback on SW Alder Rose Lane project.

Please share your feedback and spread the word!

https://www.surveymonkey.com/r/SWAlder

Alder Phase II

Proposed Phase II scope elements:

- Convert temporary bus platforms to permanent concrete curb extensions
- Reuse shelter from the closed SW 4th Ave MAX stop at 6th and Alder

Project design to begin winter of 2022/23

Questions for discussion:

- Are their additional amenities we should consider for bus stops?
- Is there additional transit priority we should consider?
- How are the Phase I bicycle connections working? Suggested improvements?
- Other things the project team should consider prior to beginning design?
