

TIER 1

# N Woolsey Ave Corridor Improvements

**BETTER  
CROSSINGS  
& SIDEWALKS**

**SAFER  
SPEEDS**

## PROJECT DESCRIPTION

N Woolsey Ave is an important corridor in the Portsmouth neighborhood that connects New Columbia to important destinations like Columbia Park and major east-west transportation corridors like N Lombard St and N Willamette Blvd.

This project would add traffic calming and new crossings to improve safety for people walking and biking and encourage slow, safe vehicles speeds. Though not intended to meet neighborhood greenway standards, these improvements would improve safety and comfort of people biking on this street.

## LEGEND

**Improved crossing**  
(marked or median islands)

**All-way stop**  
with marked crosswalks

**Traffic signal**  
upgrade to bike-friendly

**Intersection redesign**

## BIKE NETWORK

Neighborhood Greenway  
Bike Lane (Buffered/Striped)  
Protected Bike Lane  
Off-Street Trail
