

TIER 1

Upper St Johns Neighborhood Greenway Network

PROJECT DESCRIPTION

A bundle of new Neighborhood Greenways in the northern section of St Johns intended to fill major gaps in the network, including investments on:

- N Charleston Ave
- N Bank / N Bristol / N Swenson

Provides a direct connection to George Middle School, James John School, St Johns Library, St Johns Farmers Market, and Downtown St Johns.

This project would leverage existing crossings of busier streets like N Fessenden St and N Columbia Blvd.

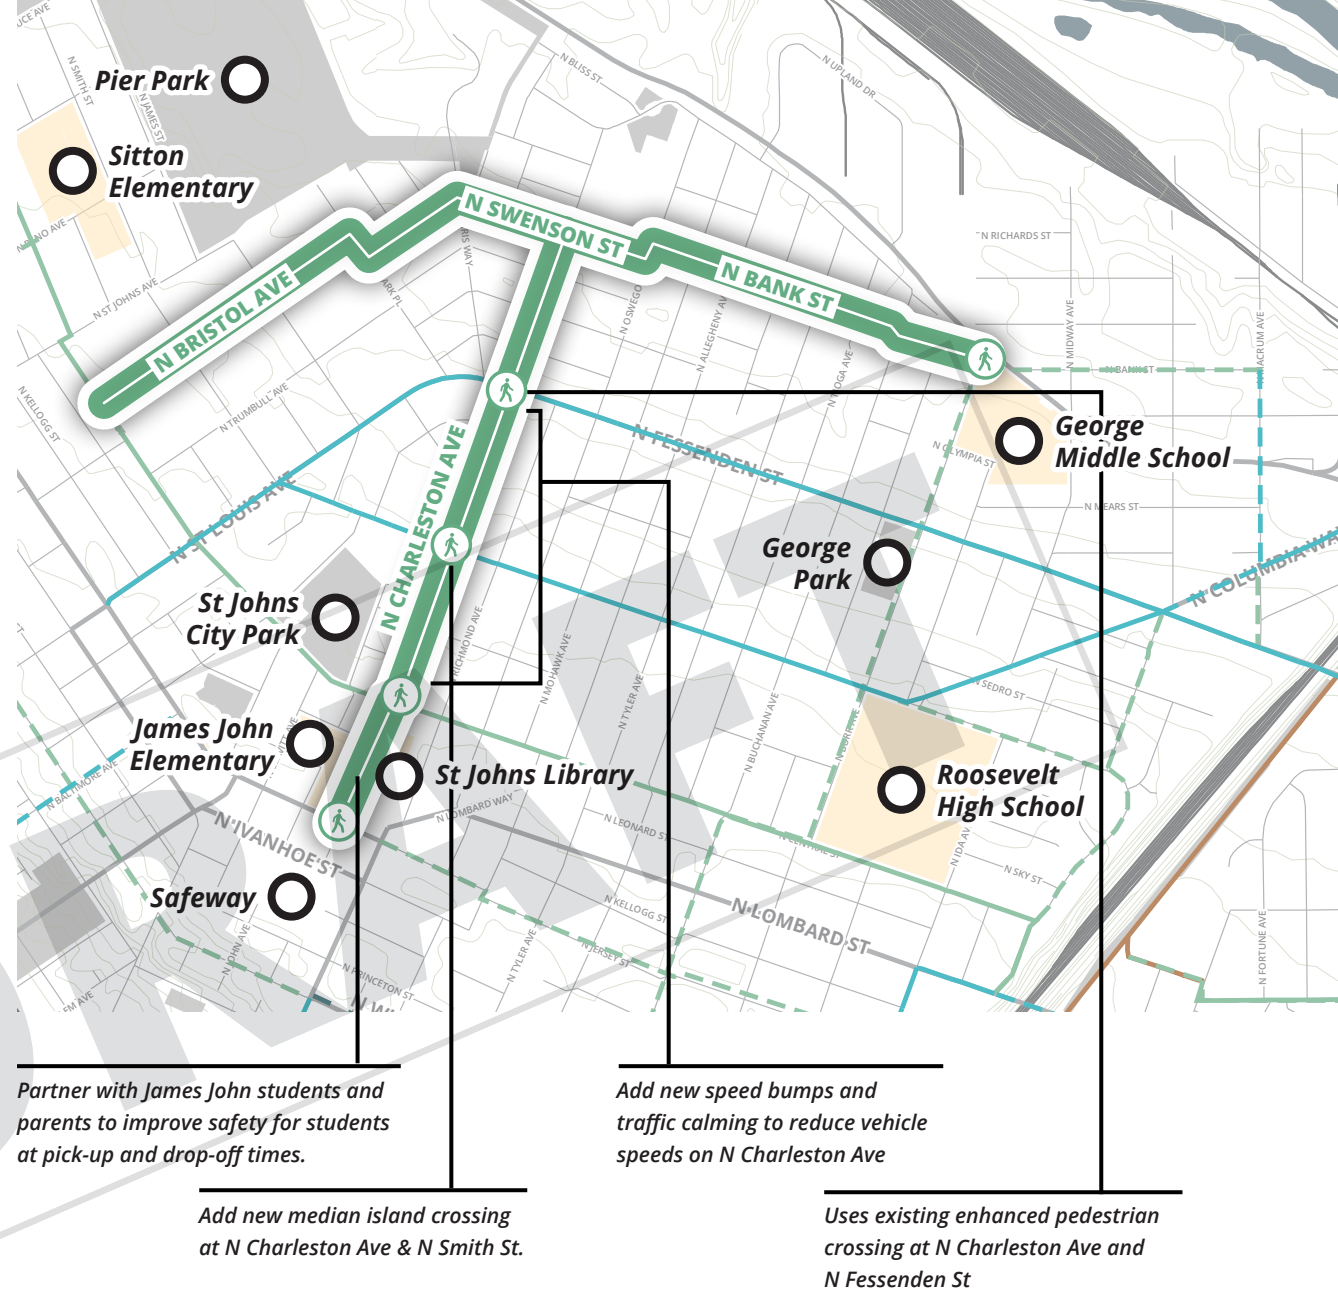

Project Elements:

- New speed bumps on N Charleston Ave to reduce vehicle speed
- Wayfinding signage and shared-lane markings
- Crossing improvements at:
 - N Charleston Ave & N Smith St
 - N Charleston Ave & N Central St

LEGEND

Improved crossing
(marked or median islands)
