  - b. Bed-and-breakfast/guest house proprietors.
  - c. Other businesses operating from commercially zoned properties platted within the permit area.
  - d. Permits will be issued only to employees that work at the address, within the boundaries of the program, during program hours.
2. Business permits are issued based on the following information:
  - a. At the time each area business applies for permits for program years beginning on or after April 1, it shall present enough information as requested by the Program Administrator to establish its maximum annual allotment of permits. The Program Year for Hosford Abernathy Zone L Business Parking Permits shall be April 1st thru March 31st.
  - b. The number of worker permits issued to a business is calculated from the employee roster information submitted by the business owner or authorized representative. They must include an employee roster showing number of hours per employee per week. To know the total allotment, calculate the following:
    - c. Total hours of full or part time workers (maximum 40 hours per employee per week) divided by 40.
3. The Program Administrator will review the request with the Area Parking Committee and reply to the applicant within four weeks of any written request.

4. It shall be the responsibility of the area business, as the permit holder, to supervise the assignment and use of permits issued to it.
