## Workplan Update

The committee is in the process of adjusting the workplan to reflect the changes in how parking district advisory bodies operate and to better align with the capital improvement project (CIP) budget schedule.

## Projects in the NW Parking District – With Updates ([NW Project and Program Website](#))

### TDM Program Evaluation (website forthcoming)

Project Contact: Stanley Ong – [stanley.ong@portlandoregon.gov](mailto:stanley.ong@portlandoregon.gov)

The TDM Evaluation has kicked off! WSP will be evaluating all the TDM programs offered in the NW Parking District and will complete the evaluation by September 2024. As part of this evaluation, we will conduct interviews with other TDM district managers and program participants, receive recommendations on how to enhance current NW TDM programs and

additional programs, and develop metrics and ways to measure success in the district. We'll keep you updated monthly and a workshop will be held with the SAC later this summer to brainstorm district metrics.
