PBOT plans upgrades to SE 162nd Avenue in 2021

PBOT will be reorganizing SE 162nd Avenue to reduce illegal vehicle speeding and provide **seven** high-visibility crosswalks at bus stops, routes to school, and other locations between SE Stark Street and SE Powell Boulevard.

The project will also repave SE 162nd Avenue between SE Division Street and SE Powell Boulevard.

Give your feedback on the designs, learn more about the project, and sign up for email updates at:
