

# NE BROADWAY PAVE & PAINT COMMUNITY WALK

## Join NE Broadway Business Association and PBOT staff on a community walk along NE Broadway!

During the walk, we'll visit important neighborhood destinations and share stories and insights about NE Broadway. While we're walking, you can also learn more about NE Broadway Pave & Paint, the current PBOT project.

## PROJECT GOALS:

**Support a Vibrant Main Street:** The small business community on Broadway is home to many beloved businesses. We want to make the streetscape work better for them.

**Improve Access for People Walking & Biking:** Whether you're trying to cross the street, catch the bus, or get where you're going on a bike, Broadway can be a stressful and unwelcoming environment. We want to fix that.

## MEET AT:

NE 12<sup>TH</sup> Avenue and NE Broadway  
(Pedestrian Plaza east of Safeway)

## WHEN:

Monday, September 23rd  
from 5:30 - 6:30 PM

**A Safer Street with Slower Speeds:** We want NE Broadway to be a safer street with fewer crashes, safer speeds, and a more welcoming environment for everybody.

**Develop a high-quality project** with broad community support that supports adopted policies, meets city standards, and is delivered on-time and on-budget.
