To request these services, contact 503-823-5185 or 311 (503-823-4000), for Relay Service & TTY: 711

SE Ellis Street Advisory Shoulder Lanes

SE 84th to SE 92nd Avenues - Planned for late summer 2023

On low traffic streets, wide shoulders are added where they usually wouldn't fit.

Vehicles from both directions share the center lane.

Drivers move into the shoulders to pass each other safely.

People biking and walking have the right of way, vehicle returns to center lane when safe to do so.
