Julia Reed & Zef Wagner (PBOT)

PBOT staff will present the Building a Better 82nd Ave Plan. This is a planning-level document that outlines the policies, programs, and projects to achieve the community vision for 82nd Avenue. The plan stops short of recommending specific safety mitigations at specific locations; those will be addressed in the next phase of work, which has already begun. Staff is looking for a PAC letter of support to take to the December Council date.
