To whom it may concern,

Portland Lane Coalition is excited to partner with Rose City Taproom for their upcoming street festival on July 26th, 27th, and 28th. Portland Lane Coalition supports creative uses of the right-of-way for a safe, equitable, and vibrant Portland.

Portland Lane Coalition also supports innovation by opening Portland's streets, sidewalks, plazas and alleys to a range of events, programming and physical structures that reinforce the idea that public streets are public spaces for people of all ages and abilities to enjoy. We can accomplish this through the support of regional partnerships, community partners, individuals, local businesses like Rose City Taproom.

We look forward to being a part of the street festival on July 26th, 27th, and 28th. Our 501c3 ID is: 98-7654321.

Sincerely,

Alexander Emerson
