- Discuss benefits and drawbacks of projects to understand neighborhood needs prior to public review.

## **MEETING SUMMARY**

### **WELCOME AND INTRODUCTIONS**

Jessica welcomed the group and shared that for this eighth CAG meeting the focus would be reviewing the latest project design concepts.

### **PROJECT UPDATES**

Mike updated the group on the joint Great Streets grant application submitted by PBOT and ODOT in February to make significant safety improvements at the intersection of N Lombard Ave and N Denver Ave.

### **TIER 1 PROJECTS**

Mike presented the latest iteration of the Tier 1 North Portland in Motion projects.

### **PUBLIC COMMENT**

Three members of the public were in attendance and introduced themselves.

### **FINAL PROJECT REVIEW ACTIVITY**

The group provided written comments alongside the projects. Afterward, the group discussed ideas, questions, and concerns related to the projects. The project information is available for review in the meeting presentation at [portland.gov/transportation/planning/north-portland-motion/advisory/community-advisory-group](https://portland.gov/transportation/planning/north-portland-motion/advisory/community-advisory-group)

### **NEXT STEPS**

The project team will continue working on refinements to the projects and will share the projects with the public through an online open house and in the draft North Portland in Motion plan.
