

Driving for Multiple Platforms – Draft language
REVISED

Add to Definitions:

To “Provide PFHT Service” means anytime a permitted driver is available to accept a ride request through various means such as a TNC mobile app, a central dispatch system, a street hail, or any other means, regardless of the driver's physical location and readiness to accept the ride request.

(This section would apply to all relevant sections and would replace the existing language)

Driver Conduct, Requirements, and Prohibitions.

- A. No permitted driver shall be available to “Provide PFHT Service” for more than 12 hours within a 24-hour period unless the driver has a minimum rest period of eight hours before making themselves available to continue to Provide PFHT Service. At anytime a rest period of eight hours or more is met, a permitted driver may Provide PFHT Service for up to an additional 12 hours.
- B. The 24 hours shall be calculated from when the driver makes themselves available to Provide PFHT Service as defined.
- C. A permitted driver is required to maintain a record outlining the times they are available to Provide PFHT Service for a period of no less than three months. Records may be maintained electronically or in a logbook that indicates:
 - 1. The dates the driver was available to Provide PFHT Service
 - 2. The start time and end time for each date the driver was available to Provide PFHT Service
- D. Immediately, upon request by the Director or designee, a permitted driver must provide records in compliance with this section for the previous 24 hours.
- E. Records requested by Director or designee that extend beyond the initial 24 hours must be provided within two business days.
- F. Unless otherwise noted, failure to comply with any provision in Section 16.40.180 is a Class B violation subject to penalties provided in Sections 16.40.930 through 16.40.950.

(This section would apply to all relevant sections and would replace the existing language)

Company Operating Responsibilities and Prohibitions

- A. No PFHT Company shall knowingly allow a permitted driver to Provide PFHT Service unless the permitted driver complies with section ??, A
