INDUSTRY AFFECTED:	Tow Contract

TOPIC OR DESCRIPTION OF ISSUE:

Which towers are on the new contract?

HOW IS THIS IMPACTING THE INDUSTRY?

I have heard there is a tower on the contract that did not complete their RFP. This may impact how many tows the other towers in that district receive

REASON FOR CONSIDERATION OR CHANGE TO THE REGULATIONS?

I don't believe new contractors should be added until the current contractors have had a chance to fix whatever the problem is.

WHAT IS THE PROPOSED SOLUTION?

If there is a problem in tow coverage in D2, or any district, please let the towers know about the situation and lets see if we can find a solution. If the lack of coverage is a temporary problem, please don't implement a permanent solution.

The last time we had a temporary problem in turned into a permanent solution that wasn't needed after a short time, but once implemented it stayed.
