TOPIC OR DESCRIPTION:

We need a moratorium on new executive sedan permits

HOW IS THIS IMPACTING YOUR INDUSTRY:

Portland has always had a capon the number of town cars and suv's permitted
With the cost of being a permitted company today it has given rise to many non permitted companies

REASON FOR CONSIDERATION OR CHANGE TO THE REGULATIONS?

PBOT doesn't have the man poweror the budget to properly police the currant permitted companies. In times of climate change and being Green, it's better for the climate to limit the number of large fossil fuel burning vehicles.

PROPOSED SOLUTION:

Put a moratorium on new permits.
