INDUSTRY AFFECTED:	PPI Tows, Auto Return Dispatch Process

TOPIC OR DESCRIPTION OF ISSUE:

Vehicles towed by Trimet from Trimet Property

HOW IS THIS IMPACTING THE INDUSTRY?

A tow request is submitted by a TriMet employee to tow a vehicle that is on Trimet Property. These tows often are directed to the Auto Return Impound queue of either PPB or MCSO when neither agency has had any involvement with requesting the tow. These should always be directed to the TriMet AR queue, however since these vehicle are often stolen vehicles, the towers should handle them as a PPI and call the vehicle in as such to the law enforcement agency of the jurisdiction of where the vehicle was towed from.

REASON FOR CONSIDERATION OR CHANGE TO THE REGULATIONS?

Ensure property handling of vehicles that are requested to be towed by a non-law enforcement agency

WHAT IS THE PROPOSED SOLUTION?

Have tow drivers always call these vehicle in to the local law enforcement agency as a PPI.
