TOPIC OR DESCRIPTION OF ISSUE:

Tow Rotation and Requests.

HOW IS THIS IMPACTING THE INDUSTRY?

Companies within the different Tow Rotations are given an opportunity to take the job before they go into rotation. Numerous times we have noticed notes that state "Check with X company on the Y rotation if they can take call."

REASON FOR CONSIDERATION OR CHANGE TO THE REGULATIONS?

The jobs should be offered on a rotation basis, (A, B, C ect), and not based on what company the responding personnel feels like would be the best choice.

WHAT IS THE PROPOSED SOLUTION?

Avoid requesting specific companies for jobs. Let autoreturn do their job and distribute the jobs based on the classification. We understand familiarity, maybe the person that responded knows that X company has Y piece of equipment, but so does company A, B, and C. We all qualified for our respective rotations based, in part, on our equipment.
