TNC Driver's Committee Meeting – November 30, 2020

EXHIBIT D

Committee Consideration

Topic: FARE Compensation

Date and Time Submitted: 9/2/2020 21:08:14

Topic or description of issue:

Require PFHT companies to charge a minimum fare per mile

How is this impacting your industry?

TNC companies have had an advantage of giving away services with the intent to capture market share. Many cab companies are out of business because of this and drivers are struggling to compete.

Reason for consideration or change to the regulations?

Fairness and leveling the playing field

Proposed solution:

Require all PFHT companies to charge a minimum fare of \$2.25 per mile or its equivalent if mileage is not the only metric used to complete a trip.
