2	We would like more information regarding pipelines since our property is directly impacted	11/6/2020 10:14 AM
3	We would like more information regarding pipelines.	11/6/2020 10:05 AM
4	My concern is security during construction. During the construction period I'm sure people will show up at sometime and try and steal from the construction site. The problem for us is those persons may instead break into our hmoes, barna, ect. Can the Water Bureau or construction company hire a secuity team to patrol our streets at night and only contact the sheriff if they see something, this would be only during construction.	11/5/2020 6:25 AM
