Bull Run
TREATMENT
PROJECTS

Filtration

The Portland Water Bureau is building a new water filtration facility and pipelines to make the Bull Run water supply safer and more resilient. Once online in September 2027, filtration treatment will protect public health and comply with safe drinking water regulations by removing *Cryptosporidium* and other potential contaminants from Bull Run water.

The City of Portland is committed to providing meaningful access. To request translation, interpretation, modifications, accommodations, or other auxiliary aids or services, contact 503-823-0102, Relay: 711.
