

Bull Run FILTRATION Saturday work beginning

Where work will be happening:

What to expect:

Beginning Saturday, October 12, construction at the Filtration pipeline tunnel site will include work hours from 7am to 6pm most Saturdays throughout the remainder of the project. Saturday work is needed to complete the pipeline and tunnel safely and efficiently so we can begin serving filtered water by September 2027, as required by the Oregon Health Authority.

Bull Run
TREATMENT
PROJECTS

Filtration

The Portland Water Bureau is building a new water filtration facility and pipelines to make the Bull Run water supply safer and more resilient. Once online in September 2027, filtration treatment will protect public health and comply with safe drinking water regulations by removing *Cryptosporidium* and other potential contaminants from Bull Run water.

The City of Portland is committed to providing meaningful access. To request translation, interpretation, modifications, accommodations, or other auxiliary aids or services, contact 503-823-0102, Relay: 711.
